SciStarter
Science we can do together.

Preserve American History: Transcribe Handwritten Documents with the Smithsonian

Participant Setup Instructions

1 Create a free SciStarter account

Sign-up at SciStarter.org/login.
For participants under 13, an adult should set up a family account.

2 Register with the Smithsonian Transcription Center

Register for a Digital Volunteer Account with the Smithsonian:
Transcription.si.edu/user/register

3 Review the Instructions

Visit Transcription.si.edu/ instructions-freedmens-bureau for details.

4 Choose a Project

Pick a project of interest within the Bureau Records at:
Transcription.si.edu/freedmensbureau

5 Get Started!

Choose to **transcribe** (type the contents of the original material) or **review** (compare completed transcriptions with original documents).

SciStarter makes it easy for anyone to participate in real scientific research.
